6. The title of notification 2023/0746/B was shortened due to the limited space in TRIS-TBT. We noticed the problem too late, after the notification had been submitted.

The full title of the project is therefore: ‘Decision of the Flemish Government amending the Decree of the Flemish Government of 1 June 1995 laying down general and sectoral provisions on environmental hygiene regarding plastic granules, fuels and flammable liquids, the storage of dangerous products and private fuel oil tanks’
