4. 2026/0488/NL - C00C - CHEMICALS

5. article 6, paragraph 7, of Directive (EU) 2015/1535

6. On 8 September 2026, the Dutch authorities notified under reference 2026/488/NL the draft “Ministerial regulation with list of precursors, supplementing the designation
regulation for drug precursors, pursuant to Article 4a of the Chemical Abuse Prevention Act”, and requested the urgent adoption procedure provided for in Article 6 (7) of
Directive (EU) 2015/1535.
Following examination of the draft, the Commission is of the opinion that the claim for urgent adoption is justified. The fact that the Commission accepts the urgency of this case in no way prejudges its assessment of the compatibility of the notified measure with European Union law.
