6. The European Commission's comments pursuant to Article 5(2) of Directive (EU) 2015/1535 on the Draft Act amending the Vienna Events Act 2020 (Wr. VG) have been taken into account. Section 32(3) of the draft already provided that measures for the resource-saving dispensing of food and beverages would be part of the environmental concept. Clarifications have therefore been made in this regard in the explanatory remarks on the draft act.
