6. Within the framework of the notification procedure laid down by Directive (EU) 2015/1535, the Austrian authorities notified to the Commission (notification 2025/164/AT) on 21 March 2025 the draft "Upper Austrian Spatial Energy Planning Ordinance Part 1 - Exclusion zones" (hereinafter, 'the notified draft').

In order to allow the Commission services to complete their analysis under the relevant provisions of EU law, the Austrian authorities are kindly invited to reply to the following request for supplementary information which concerns the scope of the notified draft.

- What is the expected impact of designating exclusion zones on Austria's contribution to the EU 2030 renewable energy target?
- Could you please share additional information on the size of the areas designated as exclusion zones, as well as the size of the areas intended to be designated as renewables acceleration areas?

The Austrian authorities are kindly invited to reply by 29 April 2025.
