8. It implements the provisions of Law 13/2014 of 30 October 2014 on accessibility.

It is divided into 11 chapters: General provisions; Accessibility in the territory; Accessibility in buildings; Accessibility in transportations means; Accessibility in products; Accessibility in services; Accessibility management; Parking cards for persons with disabilities; Council for the Promotion of Accessibility; Control, inspection and sanctioning procedure; Accessibility quality label.

It establishes the conditions required for new urban spaces, buildings, transportation means, products and services, and also develops the reasonable adjustments, circumstances, requirements and deadlines for adapting existing ones.

9. Implement the mandate of the United Nations Convention on the Rights of Persons with Disabilities, and take appropriate legislative measures to give effect to those rights.

Adapt the regional regulations, whose current Accessibility Code dates back to 1995, to the situations and needs of today's society, in accordance with the basic guidelines and conditions established in the international, European and national regulatory framework.

Drive the transformation of the existing environment to achieve the objectives set out in the new European Strategy for the Rights of Persons with Disabilities 2021-2030.
