4. 2023/0488/HU - X60M - Tobacco

5. Amendment of Government Decree No 39/2013 of 14 February 2013 on the production, placing on the market and control of tobacco products, on combined warnings, and the detailed provisions on the application of healthcare penalties

6. cigarettes, smoking tobacco, waterpipe tobacco, heated tobacco products, herbal products for smoking, electronic cigarettes, refill container, electronic device imitating smoking, nicotine-free refill container, nicotine-containing smoking substitutes

7.

8. As regards nicotine pouches, the draft completes the rules on ingredients, the maximum allowed quantities of nicotine, additives, packaging, labelling, information provision on harmful effects as well as the rules on the mandatory use of child locks.

The amendment in the draft also concerns the numerical adjustment of the list of prohibited additives, the inclusion of cannabidiol (CBD) among prohibited additives, and the regulation of the composition of herbal products for smoking, as is the case with electronic devices imitating smoking.

9. Taking into account the trends in smoking, the evolution of consumption patterns and the emergence of new recreational products with dangerous amounts of nicotine, which can cause serious poisoning and death, it is necessary to regulate the ingredients, the packaging, consumption and control of consumption of products that pose a serious health risk to consumers and those in their vicinity.
