7.
Directive (EC) N° 94/62 on packaging and packaging waste

-

8. The draft provides for an obligation for producers who place certain single-use plastic products on the market to register themselves or their representative in a producer register, cf. Sections 3 to 9 of the draft.

The draft contains provisions on an obligation for the producer to report information on the quantity and category of single-use plastic products placed on the market to the producer register organisation (Danish Producer Responsibility), cf. Section 10 of the draft, and an obligation to pay a fee for registration, cf. Section 12 of the draft.

The draft also provides for an obligation for the producer to pay a fee per product category to the Environmental Protection Agency for the municipal and state clean-up and collection of waste from single-use plastic products, cf. Section 13 of the draft.

In addition, the draft contains provisions on self-monitoring of producers, collective schemes, administrative cooperation and retention of documents by the Environmental Protection Agency and the Danish Producer Responsibility, and provisions on supervision, appeals and penalties.

9. The draft aims to introduce extended producer responsibility for certain single-use plastic products placed on the market in Denmark. The draft has been prepared in accordance with Article 8 of Directive (EU) 2019/904 of the European Parliament and of the Council of 5 June 2019 on the reduction of the impact of certain plastic products on the environment.
