6. Belgium would like to thank the Greek authorities for their detailed opinion on notification 2024/0200/B.

However, this detailed opinion has been introduced after the initial standstill period (11/07/2024). We are currently in an extended standstill period until 11/10/2024 following Romania's detailed opinion submitted in June.

This extended standstill is not intended to receive additional reactions, but solely for dialogue on the detailed opinions submitted during the initial standstill.

In this context, Belgium will take careful note of the Greek concerns, but will not respond officially.
