6. Sweden would like to thank the Commission for the comments it has made.

The Swedish Board of Agriculture has taken note of the Commission's comments and intends to amend Chapter 1 Section 1a of the notified draft in order to bring the wording into line with the internal market clause referred to by the Commission. The Swedish Board of Agriculture merely replaces the word 'rules' with the word 'regulations' in the clause. Proposed new wording:

1a § Goods lawfully marketed in another Member State of the European Union or in Turkey, or originating and lawfully marketed in an EFTA State that is a party to the EEA Agreement are presumed to be compatible with these regulations. The application of these regulations is subject to Regulation (EU) 2019/515 of 19 March 2019 on the mutual recognition of goods lawfully marketed in another Member State.
