Within the framework of the notification procedure under Directive (EU) 2015/1535 laying down a procedure for the provision of information in the field of technical regulations and of rules on Information Society services, the French authorities notified to the Commission on 21 March 2024 the draft “Proposed law to prohibit single-use electronic vaping devices”, (hereinafter “the notified draft”).

In order to allow the Commission services to continue their analysis under the relevant provisions of EU law, the French authorities are kindly invited to clarify whether the notified ban applies to single-use electronic vaping devices containing nicotine (i.e., for consumption of nicotine-containing vapour) as well as to single-use electronic vaping devices not containing nicotine (i.e., for consumption of vapour that does not contain nicotine).

The French authorities are kindly invited to reply by 26 April 2024.
