### Order of 25 February 2025

**amending the Order of 14 December 2023 laying down the list of versions of electric passenger cars that have achieved the minimum environmental score required to be eligible for certain financial assistance for the purchase or leasing of low-emission vehicles**

NOR: TECR2505415A

**Parties concerned:** *purchasers and leasers of vehicles; automotive professionals.*

**Subject:** *update of the list of versions of electric passenger cars that have achieved the minimum environmental score referred to in Article D251-1 of the Energy Code, laid down by the Order of 14 December 2023, which are therefore eligible for certain financial assistance for the purchase or leasing of low-emission vehicles under this criterion.*

**Entry into force:** *this Order shall enter into force on the day after its publication.*

**Notice:** *this Order updates the list of versions of electric passenger cars that have achieved the minimum environmental score referred to in Article D251-1 of the Energy Code, laid down by the Order of 14 December 2023, following examination by the French Agency for Ecological Transition of a dossier submitted by their manufacturer. This is one of the conditions for eligibility for the ecological bonus for new passenger cars, for leasing and for the conversion premium, linked to the environmental and climate impact of the production and delivery of the vehicle. This list details:*

- *the Type-Variant-Version (TVV) code associated with the version that has achieved the minimum environmental score;*
- *the make of the vehicle version in question; and*
- *the model of the vehicle version in question.*

**References:** *this Order, adopted pursuant to Articles D251-1 and D251-1-A of the Energy Code, can be consulted on the Légifrance website (<http://www.legifrance.gouv.fr>).*

**The Minister for Economic Affairs, Finance, and Industrial and Digital Sovereignty, the Minister for Spatial Planning and Decentralisation and the Minister for the Ecological Transition, Biodiversity, Forestry, Maritime Affairs and Fisheries,**

Having regard to Directive (EU) 2015/1535 of the European Parliament and of the Council of 9 September 2015 laying down a procedure for the provision of information in the field of technical regulations and of rules on Information Society services;

Having regard to the Energy Code, in particular Articles D251-1 to D251-13 thereof;

Having regard to the Order of 14 December 2023, as amended, laying down the list of versions of electric passenger cars that have achieved the minimum environmental score required to be eligible for certain financial assistance for the purchase or leasing of low-emission vehicles;

Having regard to notification No 2025/X/FR addressed to the European Commission on 25 February 2025,

**Hereby order:**

**Article 1**
