Regulations amending the Swedish Transport Agency's regulations and general advice (TSFS 2021:11) on motorcycles that have been put into service and their trailers;

decided on 30 August 2023.

By virtue of Chapter 8, Section 16 of the Vehicles Ordinance (2009:211), the Swedish Transport Agency prescribes¹, with regard to the Agency's regulations and general advice (TSFS 2021:11) on motorcycles that have been put into service and their trailers,

that a new section in Chapter 5, Section 17, with the following wording shall be inserted, and

that, immediately before Chapter 5, Section 16, a new heading shall be inserted which shall read 'Emergency vehicles'.

Chapter 5

Section 17 Police authority emergency vehicles may be equipped with lamps emitting solid, low blue light. The intensity shall be so low that the light cannot be confused with blue light from the vehicle alarm device. The light must not be dazzling or dimmable.

This statute shall enter into force on 1 October 2023.

¹ See Directive (EU) 2015/1535 of the European Parliament and of the Council of 9 September 2015 laying down a procedure for the provision of information in the field of technical regulations and of rules on Information Society services.
