No.
Vilnius

Pursuant to Article 9²(5) of the Law on Control of Tobacco, Tobacco Products and Related Products of the Republic of Lithuania:

1. I hereby approve the list of chemical substances authorised for use in the Republic of Lithuania to impart the taste and smell of tobacco to e-cigarettes and e-cigarette filler liquids (attached).

2. I hereby instruct public officials and employees of the State Consumer Rights Protection Authority working under employment contracts to be guided by the list of specific chemical substances that may be used in the Republic of Lithuania to impart the taste and smell of tobacco to e-cigarette and e-cigarette filler liquids, approved by the present Order, in the course of carrying out inspections of economic operators supplying e-cigarettes and e-cigarette refill cartridges on the market, using liquid used in the electronic cigarettes or e-cigarette fillers.

3. I hereby authorise Vita Šarmavičienė, Head of the Market Surveillance Coordination Division of the State Consumer Rights Protection Authority to monitor the implementation of this Order.

4. This Order shall enter into force on 1 January 2025.
