6. The services regulated in the notified draft, the sale of alcoholic beverages and the provision of awareness-raising arrangements are not deemed to fall under either Directive 2000/31/EC or Regulation (EU) 2022/2065, as the services are not provided at a distance. The proposal means that the awareness-raising arrangement cannot be provided at a distance. Furthermore, the sale of the beverages is linked to a physical point of sale, which excludes distance purchases.
