BM Decree No 44/2025 of 4 November of the Minister for the Interior amending BM Decree No 78/2022 of 28 December of the Ministry of Interior on controlled substances

- [1] The Government places great emphasis on taking effective action against the spread of designer drugs in order to minimise the health-related and social problems arising from their consumption.

- [4] Based on the authorisation granted under Section 32(5a) of Act XCV of 2005 on medicinal products for human use and on the amendment of other regulations related to medicinal products, and acting within my duties as defined in Section 66(1)(26) of Government Decree No 182/2022 of 24 May on the scope of duties and powers of members of the Government, I hereby order the following:
