6. We would like to inform you that immediately after Czechia notified on 17 December 2024 a “draft Proposal for a Government Regulation on the list of classified psychoactive substances” under the urgency scheme of Directive (EU) 2015/1535 (Single Market Transparency Directive - Directive), the Commission services have started the assessment of this draft, for which the request for the supplementary information was sent on 19 December 2024 and replied by the Czech authorities on 20 December 2024.

However, since Czechia adopted the notified draft on 18 December 2024, the requirements stipulated for the assessment under the Directive (EU) 2015/1535 have not been met and thus, the assessment procedure has been closed.
